3. Plastic emulsion paints, prepared from dispersion or emulsion of synthetic resins in water with ingredients.
4. Nitro-cellulose lacquers, clear or pigmented, meant for undercoating or finishing.

[No. 60(128)Exp.Insp/65.]

S.O. 484.—In exercise of the powers conferred by section 17 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the Central Government hereby makes the following rules, namely:—

1. **Short title and commencement.**—(1) These rules may be called the Export of Paints and Allied Products (Inspection) Rules, 1966.

(2) They shall come into force on 1st April, 1966.

2. **Definition.**—In the rules "paints and allied products" shall mean—

- (a) ready-mixed paints and enamels of all types, excluding marine paints, namely, primers, undercoating and finishing;
- (b) varnishes, excluding varnishes used for electrical insulation, prepared from natural resins or synthetic resins or both used for undercoating and finishing purposes;
- (c) plastic emulsion paints, prepared from dispersion or emulsion of synthetic resins in water with other ingredients; and
- (d) nitro-cellulose lacquers, clear or pigmented, meant for undercoating or finishing.

3. **Basis of Inspection.**—Inspection of paints and allied products shall be carried out with a view to seeing that the paints and allied products conform to either the specifications stipulated in the export contract as declared by the exporter, or the sample approved by the buyer.

4. **Procedure for Inspection.**—(1) Exporters intending to export any paints and allied products shall give intimation and submit a declaration of the specifications, if any, stipulated in the export contract to any one of the inspection agencies recognised under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), (hereinafter referred to as inspection agency) to enable it to carry out inspection in accordance with rule 3.

(2) In case the export contract has been entered into on the basis of a sample approved by the buyer, the exporter shall submit and declare the sample to the inspection agency.

(3) Every intimation under sub-rule (1) or the sample declared under sub-rule (2) shall be submitted not less than seven days before the expected date of shipment.

(4) On receipt of the intimation or the sample under sub-rule (3), the inspection agency shall inspect the consignment of paints and allied products with a view to seeing that the same conforms to the specifications stipulated in the export contract as declared by the exporter, or the approved sample.

(5) If after inspection the inspection agency is satisfied that the consignment of paints and allied products to be exported complies with the requirements of

rule 3 it shall, within 7 days of the receipt of the intimation or the sample under sub-rule (3), issue a certificate to the exporter declaring the consignment export-worthy.

5. Place of Inspection.—Inspection for the purpose of these rules shall be carried out either—

(a) at the premises of the manufacturer; or

(b) at the premises at which the goods are offered by the exporter, provided adequate facilities for the purpose exist therein.

6. Inspection Fee.—Subject to a minimum of Rs. 50/- for each consignment, a fee at the rate of twenty paise for every one hundred rupees of the invoice value of each such consignment shall be paid as inspection fee under these rules.

7. Appeal.—(1) Any person aggrieved by the refusal of the inspection agency to issue a certificate under sub-rule (5) of rule 4 may, within ten days of receipt of communication of such refusal, prefer an appeal to such panel of experts, consisting of not less than three persons, as may be constituted by the Central Government for the purpose.

(2) The decision of the panel in such appeal shall be final.

[No. 60(128)Exp.Insp/65.]

A. C. BANERJEE, Jt. Secy.
